

Street Parking Options

Parking in Potts Point is highly regulated, and most of the parking is limited to 1 Hour between the hours of 8 am and 10 pm, unless you have a Residential Parking Permit or a Visitors Permit.

GoGet CarShare

GoGet CarShare is also an option if you're considering hiring a car as you can access many GoGet parking Spots that rental cars cannot use. [GoGet- Click here.](#)

Visitors Permits

We have a limited number of Visitors Permits for a fee if required. Permits are only valid on the chosen date of use. To use, scratch the panels on the permit for the year, month and day of use. The permit is only valid if 1 date has been clearly scratched off.

Permits can only be used where the signs include the words 'permit holders excepted'. The area code on the permit must correspond to the area code shown on parking signs.

Public Parking Options

Public Parking Stations are also available, [Public Parking Options. Click here](#)
The closest is just across the from the Kings Cross Fountain on Ward Ave, Potts Point New South Wales 2011. It costs around \$40 a day and single entry and exit. Phone (02) 9358 5000.
